Claims

Eligibility for claim under the Warranty

The vehicle must be within the coverage period of the Autokatta RepairZ Warranty. Owner of the vehicle is responsible to produce all necessary documents / record to prove that the vehicle has been serviced and maintained at the prescribed interval as per the periodic maintenance schedule through RepairZ Authorized Service Centers.

The owner must produce the Warranty Service Book to Authorized repairer Centers.

Procedure for making claim

In the event of occurrence of the breakdown during the Autokatta RepairZ Warranty Tenure, the Owner must report immediately to take steps to minimize the extent of loss.

Depending on road worthiness of the vehicle, the Owner should arrange for the vehicle to be driven / towed to the nearest AutoKatta RepairZ Confidence Center / Authorized repairer at his own cost to effect repairs.

Notify the Warranty details to AutoKatta RepairZ Confidence Center.

Undertake to pay cost of dismantling and repairing the vehicle if the cause of the break down is not covered by the Warranty.

Procedure service and maintenance records and bills to AutoKatta RepairZ Confidence Center for Scrutiny.

Non Compliance of the above formalities may lead to refusal to accept the claim.

Warranty Policy

The warranty extends to the curing of defect(s) which is/are solely attributable to the faulty workmanship of the technicians of company's service center and not caused due to any improper usage of vehicle, violation of safe drive away instructions and other terms and conditions contained herein. The Warranty is null and void in case of change of ownership. The Warranty has no cancellation value. Company shall not be liable to return any charges to the owner in the event that this Warranty is invalidated or if cover is no longer required. The warranty is limited only to the repair/replacement of the automotive in the vehicle subject to the terms and conditions mentioned herein; and the company, its service center or any of its employee shall not be held liable for any special, consequential or remote damage, caused by any reason whatsoever, to the vehicle, its driver, passenger or any other person or object, whatsoever.

The defect is caused by improper or reckless use, accident, rash and negligent handling and non adherence to the safe drive away instructions. The warranty card is incomplete and not signed by the service center manager immediately on completion of the job. Company will not accept any liability for any loss, damage or injury of whatsoever nature sustained by any person(s), property or vehicle(s), including the vehicle detailed in the registration form, caused by or arising out of or in any way connected with motor vehicle accidents, fire, storm, flood theft, chemicals, contamination, environmental damage, explosion, fire, freezing, fuels, lightning, road hazards, vandalism, windstorm, tsunami or any other natural calamities, war, civil war, civil rebellion, invasion insurrection, hostilities, confiscation, nationalization or loss resulting from order of government or local authority, ionizing radiation or contamination by radioactivity malicious damage or any other loss, damage or liability not otherwise specifically covered.

Warranty Policy

The Warranty does not apply to vehicles used for rental services, shuttles, delivery vehicles, driving school, emergency services, any kind of timed competition or race, or off road use. All disputes are subject to the exclusive jurisdiction of the courts or tribunals in Pune / Hyderabad only. Company shall not be liable for any loss or damage whatsoever that may be suffered or for any personal injury that may be suffered to a customer, directly or indirectly by the use or non-use of products/services under the offer. In addition to above mentioned exclusions, given below is the list of items not covered under the Warranty.
